

Over the course of the academic year 2021-2022, Corsham Primary School will receive £21,500 as part of a government funded initiative - the PE and sports premium. The funding is as a result of the 2012 London Olympics and part of the Olympic legacy. The aim of the initiative is to improve the quality, variety and general provision of PE at primary schools. As a school, we would like to promote inclusion of sport and exercise to all children. We believe that exercise helps produce a healthy mind as well as a healthy body.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2021 it is important that you publish details on your website of how you spend the funding this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

# Following the scheme of work, (provided by The PE Hub) has allowed children to progress well with their skills, each year or every other year (depending on the sport) children have the chance to build on what they previously learnt.

- The mentoring program for teachers has increased their confidence.
- Children participating in exercise at school and at home during the current restrictions.
- Links with communities, the Bath Rugby Foundation providing Tackling Health with the Year 3/4 at one site and Tackling Numbers with the Year 4 at the other site.
- A successful internal Deep Dive in PE.

Key achievements to date until July 2021:

### Areas for further improvement and baseline evidence of need:

- Quite a few things were not achieved last academic year, due to the Covid 19 pandemic, which meant schools were closed for a short period of time as well as companies not being able to come into school to support us.
- Intra Sport within the school began, providing the opportunity to play against others in their year group, but is an area that we wish to continue to develop.
- Development of the swimming curriculum and how more children can confidently swim at least 25 metres.
- Allowing children to become more involved in their exercise and provide challenges for themselves.
- Increasing opportunities for Sports Leaders.
- Getting the disadvantaged and working towards children involved in activities at school and after school.

Did you carry forward an underspend from 2020-21 academic year into the current academic year? YES

Total amount carried forward from 2020/2021 £11,000

+ Total amount for this academic year 2021/2022 £21,500

= Total to be spent by 31st July 2022 £32,500

Meeting national curriculum requirements for swimming and water safety.	
N.B Complete this section to your best ability. For example, you might have practised safe self-rescue techniques on dry land which you can transfer to the pool when school swimming restarts.  Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	91%
<b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022. Please see note above.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	85%
Please see note above.	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes we provided booster swimming sessions for the year 5 and 6 which was a 45 minutes session for a 6 week block.

## **Action Plan and Budget Tracking**

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021/22	Total fund allocated: £32,500	Date Updated	d: September 2021	
Key indicator 1: The engagement of a	<u>ll</u> pupils in regular physical activity – (	Chief Medical C	Officers guidelines recommend that	Percentage of total allocation:
primary school pupils undertake at le	ast 30 minutes of physical activity a c	lay in school		32%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:  1. Sports Leaders to work on a rota	Make sure your actions to achieve are linked to your intentions:  1. Create a tracking system that	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:  1. Sports leaders are being	Sustainability and suggested next steps:  • More input with Sports
getting children involved in games and fitness at Lunchtimes. £0  2. Sports Leaders to receive 3 hour training on skills and games they could use in the playground with other children. £500  3. Lunchtime team to receive 1 hour training on games and things to do with the children to keep them physically active. £100  4. Huff and Puff equipment for the playground more specific for games and skills that the children can do led by the Sports Leaders and Lunchtime team. £1000  5. Create a new tracking system for swimming with the possibility of having an intense swimming course for Year 5 and Year 6. £0	teachers can easily fill in electronically to be transferred into other year groups and used for analysis for who cannot swim 25 metres and who might benefit from an intensive course.  2. This has been successful in the past and has been opened up to LKS2. Previous year did not manage to run LKS2 sessions because of Covid 19.  3. Audit the resources and link		proactive on the playground getting children active. With restrictions not happening the children are going out with younger year groups as well.  2 & 3. Sports leaders and lunchtime team across both sites received training which has supported their roles at lunchtimes.  4. More huff and puff equipment has supported this.  5. Year 5 and 6 boostering program for six weeks has gone ahead. 23 children signed up from the Broadwood site and 24 children from the Pound Pill	Leaders training, with regular recapping and retraining. Lunchtime support from In2sports to support this and mentor the sports leaders more.  Have a variety of huff and puff equipment available and rotate it around so children can have a variation.  To keep year 3 and 4 to swimming 2 terms and then the final term for year 5/6 boostering sessions. This has been brilliant addition.

6.	Provide a More Able, High
	Attainers sports club (KS2 only).
	To run for a term and provided
	by Up and Under coaching £800
7.	Improve the PE teaching
	resources and equipment at both
	sites £1000
8.	Provide a sports coach from
	In2Sports three lunchtimes a
	week at both sites, focusing on
	different year groups throughout
	the terms. £5000

disadvantages children to attend

one after school club which will

9. Opportunity for the

be funded £2000

- 3. More Able and High Attainers Sports club runs successfully across both sites and well attended by selected children.
- 4. New resources and equipment purchased.

- site
- 6. Due to not enough staffing from outside agencies for a more able club we have instead provided a one-off two-hour session for the more able. This was a huge success and received good feedback.
- 7. More equipment brought across both sites. Due to having a carry over we have spent more on equipment.
- 8. Supported by lunchtime support from a sports coach three times a week.
- 9. Due to not enough staffing from outside agencies for disadvantaged club we have instead provided a one-off one-hour session for the disadvantaged children. This is something to target again as there was only a 50% uptake.

- term rather than one a vear.
- Disadvantage session to be done as an event within the school day as this will be supported more for children to attend
- Continue with sports coach at lunchtime but for them to have more specific targets.

Created by: Phusical

- 1. Apply for the AfPE Quality Mark for Physical Education School Sport & Physical Activity £275
- 2. Sporting newsletter to go out termly from Lead Athletes and Sports Leaders, giving tips on what they could do. games, any events we have done etc. This will be emailed out and uploaded onto the website £0
- 3 Annual membership for afPF £250
- 4. Release time for Lead Athletes to 3. monitor and evaluate PF provisions throughout the year. f1000
- 5 Lead Athletes to attend courses to support their knowledge and understanding, £300
- 6. Schemes are followed and adaptations are made for the mixed year groups at one of the sites f0
- 7. Promote the importance of exercise with mental wellbeing, 30 minutes of exercise a day to staff and children. £0
- 8. Develop aspects of the Internal Deep Dive in PE which were highlighted during November 2020 £0

- Achieve Distinction for the award as previously achieved in 2019.
- 2. Work with the Sports Leaders with ideas to put in a sporting newsletter Collect items and create to share out with the rest of the school. Can include the challenge of the months and how children have done. Exercise tips. how we have got on with any competitions, sporting awards anvone has achieved.
- Pay for the Annual membership
- 4. Think about what areas the Lead Athletes need to develop and book release time for them to achieve this. E.g. Sports day, observations, awards, planning, courses
- 5. Look at the overview of each year group and their schemes of work and suggest adaptations that they can take Provide difference schemes that year groups can follow if necessary. Send out guidance from afPF linked to the government's guidance during the Covid 19 pandemic.
- Share during staff meeting or inset about the links of sport and physical activity and mental health.

#### Success criteria

- 1. Termly newsletter going out to all pupils electronically.
- 2. Annual membership to afPE paid for.
- 3. Lead Athletes develop areas that need developing from release time.

£1825

- 1. AfPE award applied for and deadline for application is June 24th
- 2. Autumn, Spring Sporting Newsletter went out and hoping to get it up onto the website
- 3. Annual membership for AfPE paid for.
- 4. Release time provided for Lead Athletes for Sports Day. PF award and other monitoring
- 5. Lead Athletes attended a course in November Annual PF conference
- 6 Teachers have been adapting their sessions but still an area to investigate.
- 7. We have tried to continue this within class with dance and wake and shake. Something to be develop.
- 8. We are still developing some aspects and will continue the following year.

- We achieved the AfPF Quality Mark with Distinction and have now this for three years.
- Newsletter has been a success but sometimes a bit time consuming. Maybe look into doing something on the website instead.
- Course again to attend in November 2022
- Work with new PF lead on developing things from the deep dive.

4. Suggest adaptions for schemes of work and keep staff updated with guidance.
5. Share with staff about mental health and the link to sport and physical activity.

- community e.g. Bath Rugby Foundation £2500
- 4. Opportunities for children not meeting National standards for swimming to receive tailored small group booster sessions. f2000
- into school and promote themselves and/or take mini sessions with the children, e.g. Corsham One-mile club
- 4. Provide booster swimming sessions for Year 5 and 6 if they haven't reached the National standard of being able to swim 25 metres.

### Success criteria

- 1. Increased use of the Life Channel Exercise Pod.
- 2. Positive feedback from Medium Term Plans.
- 3. Outside clubs/sports to come into school.
- 4. An increase percentage of children being able to swim 25 metres.

- Attacking Numbers program which is maths and tag rugby over a two our session. The children loved it and had a good impact.
- 4. 24 children (both year 5 and 6) from Broadwood signed up for the sessions and 26 children (both year 5 and 6) from Pound Pill and it had a great impact. Out of the 50 children that went swimming 23 children achieved their 25m, 12 out of 21 year 6's achieved their 25m, others became more confidence to be in the water. We also had the opportunity to providing a one-off session with para-Olympian Stephanie Millward to learn to swim.
