Keep children reading all summer by taking part in the Library Summer Reading Challenge! Simply visit your local library, sign up for the challenge and enjoy reading a range of books over the holidays, collecting rewards along the way. We would also love children to join in with our Ivern's August Book a Day Challenge by reading (or sharing) a book every day throughout August. Whether it's a picture book, a chapter from a longer story or a non-fiction book, every page counts! We can't wait to hear about all the fantastic books our children have discovered when they return to school in September.
