

 **Are you on Facebook?** 

Corsham Primary School PTA now have a Facebook group!

Getting involved with the Corsham Primary PTA is a brilliant way of meeting and making friends with other parents and carers.

We raise money by hosting some wonderful events with the school, which includes bedtime stories, school discos and Christmas/Summer fayres. This money enables the school to buy extras and also helps run the school mini bus.

Our Facebook page is for the purpose of advertising these fabulous events and to communicate with those interested in PTA activities. Any feedback on events should be e-mailed to: corshamprimarypta@hotmail.co.uk.

You can find our group [HERE](#)

Or

Search for Corsham Primary PTA on Facebook

Now for the serious bit!

Whilst we are keen to make use of this new Facebook page, we would like to remind you of school policy and the need to preserve confidentiality and uphold children's safety online. We therefore ask that no photos of children are added.

In accordance with Corsham Primary School's [Parent and Carer Communication Policy](#) we also ask that 'everyone in the school community uses social media responsibly and avoids discussing any matters relating to individuals (PTA Members, pupils or staff), school matters, classes, questions or concerns, within this arena.' Any post on our Facebook group found to be unsuitable will be removed by admin.

Many thanks

Corsham Primary School PTA
