## 1. Introduction

- a) All schools within Pickwick Academy Trust have a culture of high expectations for progress of all of our pupils irrespective of academic or social disadvantage.
- b) We seek to provide an educational experience that is high quality, enjoyable and inclusive for all.
- c) We understand the importance of working in partnership with the parents of pupil to collectively ensure pupils' success.
- d) We use the Government Pupil Premium Grant (PPG), to promote provision for disadvantaged students which gives them equity with their non-disadvantaged peers.

## **2. Purpose and Scope**

a) All Pickwick Schools aim to:

- Ensure that all children make good social, emotional and academic progress and achieve highly across all subject areas. This is our goal for all pupils, irrespective of their background or the challenges they may face. This includes accelerating progress for those who are already high attainers.
- Consider the challenges faced by all vulnerable pupils, including children who have a social worker or who are young carers, regardless of whether they are disadvantaged or not.
- Ensure that Quality First teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school.
- Address oral language skills and vocabulary gaps.
- Ensure all disadvantaged pupils make at least good progress from their starting points.
- Ensure that disadvantaged learners have full access to a broad and engaging curriculum and wider enriching experiences.
- Support our children's emotional health and wellbeing to enable them to access all learning.
- Reduce the gap in attendance between disadvantaged learners and their peers by providing support for all staff to raise expectations of all pupils.
- Use assessment and monitoring to carry out effective and appropriate provision for all pupils
- Create a whole school ethos in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve

- Ensure an approach that is responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage.
- Act early to intervene at the point need is identified.
- Understand the strengths, needs and challenges of each individual child
- Undertake external and/or internal Pupil Premium reviews every two years which inform their Pupil Premium Strategy

#### **5. How PPG is spent**

- a) Pupil Premium is not a personal budget for individual pupils, and schools are not required to spend all of their allocated grant on eligible pupils. The school will use the PPG to support other pupils with identified needs where appropriate.
- b) The school will decide the activities on which the PPG will be spent in line with the framework and 'menu of approaches' set out by the government in 'Using Pupil Premium guidance for school leaders' and focusses on the three areas below:
- High-quality teaching, such as staff professional development
  - Targeted academic support, such as structured interventions, one to one support, tutoring
  - Wider strategies to address non-academic barriers to success in schools, such as attendance, behaviour, and social and emotional support
- c) Academically able pupils from disadvantaged backgrounds will be given as much focus as less academically able pupils.

- d) If the school has not spent the PPG within the financial year in which it was allocated, the school will carry the remainder forward to the following financial year. When the school carries PPG funding forward, it continues to only spend the funding in line with the above criteria.

## 6. Long-term strategy for success

- a) All schools have a long-term Pupil Premium strategy to ensure it maximises the use of PPG funding. The school will adopt a long-term three-year strategic plan, aligned to the school's wider School Development Plan.
- b) Schools will conduct lighter-touch annual reviews to inform the Pupil Premium strategy and adjust where necessary.
- c) Schools will explore evidence-based summaries of PPG use, such as the EEF's Teaching and Learning Toolkit, to determine the best use of the funding.
- d) When researching and implementing PPG use, the school will focus on approaches that:
- Are individually tailored to the strengths and needs of each pupil, and include targeted academic support, such as tutoring
  - Are consistent (based on agreed core principles and components), but also flexible and responsive.
  - Are evidence-based.
  - Are focussed on clear short-term goals providing opportunities for pupils to experience success.
  - Include regular, high-quality feedback from teaching staff.
  - Engage parents/**carers** in the agreement and evaluation of support arrangements, e.g. via pupil's personal education plans (PEPs).
  - Support pupils' transitions through the stages of education, e.g. from primary school to secondary school.
  - Raise aspirations through access to high-quality educational experiences.
  - Promote each pupil's awareness and understanding of their own thought processes and help them to develop problem-solving strategies.
  - Ensure high quality teaching, including staff professional development.
  - Tackle non-academic barriers to success at school, by supporting good attendance and behaviour and providing social and emotional support.
- e) The school will also choose approaches that emphasise:

- Relationship-building, both with appropriate adults and with pupils' peers.
- An emotionally intelligent approach to the setting of clear behaviour boundaries.
- Increasing pupils' understanding of their emotions and identity.
- Positive reinforcement.
- Building self-esteem.
- Relevance to the learner – the approach relates to pupils' interests and makes success matter to them.
- A joined-up approach involving the pupil's social worker, carer, virtual school head (VSO) and other relevant professionals.
- A child-centred approach to assessment for learning.

## **7. Use of the LAC and PLAC Premiums**

- a) The LAC premium is managed by the Local Authorities designated Virtual School Officer (VSO).
- b) The LAC premium will be used to benefit a pupil's educational needs as described in their Personal Education Plan (PEP). To avoid any delays in providing support, the school will work with the VSO to ensure that funding allocation is as simple as possible.
- c) The LAC premium will be used to facilitate a wide range of educational support for LAC. The designated teacher will work with the VSO to gain a full understanding of each pupil's needs and determine how to use the premium to support each pupil effectively. The designated teacher will work with the VSO to ensure that all available funding is spent.
- d) PLAC premium is allocated directly to the school. LAC premium and PLAC premium will not be treated as personal budgets for individual pupils; however, the VSO and the school may choose to allocate an amount of funding to an individual to support their needs.

## **8. Use of the Service Pupil Premium (SPP)**

- a) The school will use the SPP to give pastoral support to service children during challenging times and mitigate the negative impact of family mobility or parental deployment.
- b) Pupils will qualify for the SPP if they meet at least one of the following criteria:  
They have a parent serving in the regular armed forces

They have been registered as a 'service child' on the January school census in the last six years.

They have a parent who died whilst serving in the armed forces and the pupil receives a pension under the Armed Forces Compensation Scheme or the War Pensions Scheme

They have a parent who is on full commitment as part of the full-time reserve service, or one who is serving in the armed forces of another nation and is formally stationed in England.

- c) The school will not combine the SPP with any other form of PPG. SPP spending is accounted for separately to any other form of PPG.
- d) The school may use the SPP for:
  - Providing pastoral support in the form of counselling, nurture groups, clubs, etc.
  - Improving the means of communication between the pupil and their deployed parent(s), such as introducing a 'video call club'.
  - Helping pupils to develop scrapbooks and diaries that can be shown to their parent(s) on their return.
  - Funding staff hours spent assisting the pupil when they join a new school as a result of a new posting.
  - School trips specifically for service children, such as military-specific trips that allow pupils to join a wider community and better understand the role their service parent plays.
- e) The school will not use the SPP to subsidise routine school activities

## 9. Accountability

- a) Individual targets will be set for each pupil in receipt of the PPG and their progress towards achieving these targets is analysed at the end of interventions. The progress of pupils in receipt of the PPG will be ~~regularly discussed with subject teachers.~~ monitored by the Pupil Premium leader.
- b) The school will publish its Pupil Premium strategy on the school website by the 31 December utilising the DfE template.
- c) The school will use its recovery premium alongside its Pupil Premium funding and report on the use of them as a single sum in their strategy statement.

## **10. Reporting**

- a) The Director of Education will report on pupil premium provision and impact at the school improvement committee. This is a standing agenda item at every meeting.
- b) The Headteacher will report at least annually to the LGC regarding how effective PPG spending has been and what impact has been made. The impact of PPG spending, in terms of improving educational outcomes and cost effectiveness, will be monitored, evaluated, and reviewed by the Headteacher and the LGC.
- c) Information regarding PPG spending will be published on the school website. The school will not publish any personal data regarding individual pupils on the school website.
- d) For parents of pupils in receipt of PPG, details of the pupil's academic progress and behaviour will be sent home in their reports. This information will inform the development of additional or alternative strategies and interventions to further improve the attainment of these pupils.
- e) The Designated Teacher will write an annual report to the LGC about LAC and PLAC children and their progress

## **11. Pupil Premium Reviews**

- a) All schools have a biannual Pupil Premium review, carried out by trained reviewers within the Trust (and/or external reviewers), to objectively evaluate the Pupil Premium strategy and identify ways to use the PPG more effectively.
- b) Following the review, the school will reflect on and update its strategy and the plans to implement it. This strategy and these plans will be shared with all relevant stakeholders.

## **12. Monitoring**

- a) The impact of the PPG on pupil's attainment and progress in each school is monitored by the Pupil Premium link governor and the Directors of Education, who in turn report to the full LGC, and Trustees as part of the School Improvement Committee.
