Dear Parents and Carers,

Re: Online Safety

We are writing to share a really useful recorded session for parents and carers with you about online safety, from our online safety consultant, Karl Hopwood. This will be in line with our discussions in school during Safer Internet Week.

Please access the training from the link below. We have also attached details of some resources and websites that may be useful.

If you would like to discuss anything regarding online safety, please don't hesitate to contact the school office.

Yours faithfully
