

We are very much looking forward to working with you and getting to know your child.

The door is always open if you have any questions or concerns, so please do come and talk to us if you have any queries.

Mrs Day and Mrs Burton

Welcome to Year 3!

Mrs Day

Mrs Burton

The Year 3 Team at Corsham

Primary are:

Mrs Day and Mrs Burton

Our aim is to connect learners as local citizens of today with the ideas, knowledge and skills they will need as the global citizens they must become.

We will help children to be curious, ask probing questions and be brave in finding solutions through some of the following questions.

| Terms 1 & 2 | Terms 3 & 4 | Terms 5 & 6 |
|---|---|--|
| <p>How can you feel the force? (comparing movement on different surfaces, magnets, magnetic materials, poles of a magnet, design, make and evaluate a product)</p> <p>Where does the darkness come from? (light, reflection, shadows and how they change, protecting your eyes, mastering art and design techniques, locational knowledge such as longitude, latitude, the equator and hemispheres)</p> | <p>How can we find out about people in the past? (British, local and world history, individuals in design and technology who helped shape the world, great artists, architects and designers in history)</p> <p>What is the difference between surviving and being healthy? (recording observations, drawing, painting, sculpture, finding out about great artists, architects and designers in history, cooking and nutrition, animals as well as humans)</p> <p>How do plants die? (functions of plants, requirements of plants, water transport, flowers, environmental regions of countries, climate zones, biomes and vegetation belts)</p> | <p>What is underneath our feet? (physical geography, map skills, comparing rocks and describing how fossils are formed)</p> <p>Why did people travel in the past? (local history study, building on chronological knowledge, locating the world's countries focusing on Europe, North and South America, map skills, designing and making a product, performing music in solo and ensemble contexts)</p> |
| <p>Trips, Visitors and Special Days</p> <p>Author Talk at the Bath Literature Festival School trip related to the Enquiry Learning</p> | | |

Here are some examples of things that will remain the same in Year 3:

- Fortnightly Home Learning
- School Council
- Eco Council
- Class Assembly
- Times tables

There will also be some new and exciting things that your child will be introduced to in Year 3 such as:

- Swimming
- Recorders
- Playground buddies
