Dear Parents and Carers,

## **Forest School Mornings at Corsham Primary School**

Our Forest School Practitioner, Mrs Griffin, will continue to lead a series of Forest School mornings for each of our classes. These will take place in our very own woodland area on the school grounds.

Following the first session, the children will continue to develop and build on their skills to build dens, use the fire pit, use tools to create sculptures with wood, create 2D and 3D natural art, go on bug hunts and learn about the plants and trees surrounding them. Where relevant, activities will also be chosen to support and enrich the current enquiry learning that is happening in class. Forest School is a wonderful opportunity to learn about the outdoor environment, develop team building and problem-solving skills, whilst supporting mindfulness and well-being.

Please find listed below the first date for your child's class:
