Academy Trust

26 March 2024

Dear Parents/Carers,

Reading is one of the most important skills your child will learn in school. Like all skills, improvement comes with practice, and the Corsham Library provides a wide variety of books for everyone to borrow for reading practice, information and enjoyment.

Next term Corsham Primary School will be visiting the Corsham Library for a learning session with Laura Geater, our Community Librarian.

2W will be visiting on Tuesday 23 April. As part of their visit, they will have a story time and be shown how the library works.

If your child would like to borrow a book from the library please could they bring their library card into school ready for their visit. They will then have the opportunity to choose and withdraw a book during their visit. You shall then be responsible for returning the borrowed book to the library.

If they do not yet have a library card, please see the attached application form which we will pass onto the library, so they can have a card ready for your child.

Using the library resources is a brilliant opportunity for the children and adults to source both fiction and non-fiction books that are totally free.

If you have any questions please speak to your child's teacher.

Yours faithfully

Rebecca Palmer
