

After- School Club-Year 1 and 2 (Broadwood)

Tiny Minds after-school classes will be continuing next term at Broadwood (17th April). Term 5 is a 6-week term, and classes will be running **every Wednesday from 3:10-4:15 p.m.** Should you want your child to have a snack after school, they may bring one small snack to have at the start of the session.

Tiny Minds classes are about exploring, learning, playing, sharing, persevering, negotiating, singing, moving and so much more! Each week, we explore something new! Each session starts with some singing and games, exploring pulse, tempo and rhythm using our voices and instruments. Then children have time to explore activities selected to engage 'tiny minds' which continue to grow and learn.

Cost for the 6 weeks- £33.00- Wednesday 17th April until Wednesday 22nd May each week

You may book through my booking site: www.bookwhen.com/tinyminds
There is a link on the schedule for **After School Club BW T5**.

Just some of the things we explore!

magnetism	construction	plants	animals	Number and patterns	Insects
-----------	--------------	--------	---------	---------------------	---------

It would be lovely to welcome your child to Tiny Minds after-school club- Claire 😊
