

**Corsham Primary School**  
**3JB Visit to Box Rocks Circus- Wednesday May 2024**

Dear Parents and Carers,

As part of our current enquiry; 'What is underneath our feet?' we plan to visit Box Rocks Circus on Wednesday 8 May. Box Rocks Circus is a circle of rocks of different types and the children will have the chance to explore them and complete some fossil rubbings. We will be taking the children in the minibus and we will be back for lunch as normal. Please ensure that your child brings a coat and has some outside shoes/wellies in school should the weather be wet.

Please would you sign and return the attached permission slip by Tuesday 30 April.

If you have any questions then please come and ask.

Many thanks,

Mrs Jones & Mrs Besant
