## **Aims of the Policy**

This policy has been written to support the guidance for teaching and learning at Corsham Primary School, which is available for the teaching team to view on the online platform of Padlet.

The Teaching and Learning Padlet covers the eight national teaching standards and cites highly effective examples of practice from Corsham Primary School of ways to fulfil each standard of teaching and learning.

This is by no means exhaustive and is reviewed and evaluated regularly to meet the needs of the pupils. - Long Term Planning - Annually, the 39 Week Enquiry Plan is reviewed, evaluated and updated to facilitate improvements to the curriculum.

### **Assessment**

The online platform, Insights, enables teachers to record ongoing pupil assessment against the National Curriculum objectives. These are assessed regularly to establish the level of attainment the pupils are working at and are achieving. Three times per academic year, the standard of attainment is recorded for all pupils and it provides the data required for an analysis of the progress and attainment of each pupil in each class and across the school. Ongoing assessment in lessons and post lessons, informs daily planning for future teaching and learning for all pupils.

- All Foundation Stage pupils will be assessed using the EYFS baseline within six weeks of starting school. At the end of EYFS, pupils are assessed against the Early Learning Goals
- Year 1 pupils complete a statutory Phonics Check set by the Government in the Summer Term
- Year 4 pupils will be screened using a statutory Times Tables test in the Summer Term
- Year 6 pupils will be screened for Mathematics, English and Spelling Punctuation and Grammar (ESPG) using the Key Stage 2 Statutory Assessment Tests (SATs) and teacher assessment for writing.

All results from these assessments will be analysed and used to inform future planning for individual and/or groups of pupils as well as informing future whole school targets for the School Development Plan.

## **Planning to meet the Needs of the Pupils**
