<p>Being a Philosopher (PSHE)</p> 	<p>Being in My World</p> <ul style="list-style-type: none"> • The children will be talking about their worth as a learner and identifying their strengths. They will learn that their behaviour impacts on others • The children will recognise that conflicts happen and what they can do to manage these situations

Other Information:

Home Learning will be sent out fortnightly. Authors home learning includes reading, children are encouraged to read for 10 minutes daily. Please sign your child's reading record to show they have read for 10 minutes per day. Please use the home learning books for your child's home learning. When your child has completed their home learning, they will receive a stamp on their home learning card, which earns them a reward when their card is full. The children will be given a list of spellings within their home learning, which normally follows a particular spelling rule or corresponds to the Year 3 statutory spellings. They should practise these as part of their home learning. We will teach a variety of spelling strategies that children can use and there will be a spell check within class.

Your child should also be learning their times tables at home; we practise these three times per week to develop fluency. In Year 3 we focus on the 3, 4 and 8 times tables. Your child will receive a Times Tables Rock Stars login. Please encourage your child to log on to this amazing website where they can practise their times tables in a fun and engaging way.

Children will take part in both inside and outside PE. Please ensure your child has a complete labelled PE kit, including some track-suit bottoms for outdoor games and trainers if they wish.

Children can bring daily tuck of plain biscuits or fruit. We ask that the children bring in their own water bottles from home.

If you are able to dedicate some time to hearing readers and you have a DBS clearance, then please come and chat to us, this is greatly appreciated.

We are looking forward to the term ahead and getting to know your children. If you have any questions, please do ask.

Many thanks,

The Pound Pill Year Three Team.
