Dear Parents and Carers,

## Forest School Mornings at Corsham Primary School

Our Forest School Practitioner, Mrs Griffin, will continue to lead a series of Forest School mornings for each of our classes. These will take place in our very own woodland area on the school grounds.

Building on from their sessions so far, the children will continue to develop their skills to build outside spaces, use the fire pit, use tools to create sculptures with wood, create 2D and 3D natural art, go on bug hunts and learn about the nature around them. Where relevant, activities will also be chosen to support and enrich the current enquiry learning that is happening in class. Forest School is a wonderful opportunity to learn about the outdoor environment, develop team building and problem-solving skills, whilst also supporting mindfulness and well-being.

Please find listed below the date for your child's class:

On their day, children will need to come to school dressed in non-school uniform that is appropriate for the weather and outdoor activities; including outdoor shoes, boots or wellington boots to change into. This could include:

- Vest / T-shirt
- Long sleeved top / Fleece or thick jumper
- Trousers - joggers, not jeans
- Thick socks
- Waterproof jacket
- Hat, gloves and scarf
- Any long hair will also need to be tied back securely
- Permission has already been sought for your child to participate in these sessions, if however, you do not want your child to participate, please inform the class teacher
- Please do not hesitate to contact us if you have any additional questions

**Please note that it is important to have a spare pair of trousers or socks for the afternoon just in case the children get wet or muddy.**

Yours faithfully,

*Rebecca Palmer*
