

22 May 2026

Dear Parents and Carers,

We are delighted to announce that our school will be holding a Pre-Loved Toy Fair to encourage sustainability, reduce waste, and give well-loved toys a new home. This event is a wonderful opportunity for families to declutter responsibly while supporting our school community. The money raised will go towards some new outdoor toys and equipment for the school.

Children often outgrow toys long before those toys reach the end of their useful life. By donating and re-using items, we can:

- Reduce waste and promote environmentally friendly habits
- Teach children the value of re-use and mindful consumption
- Raise funds for school projects that benefit all pupils

We kindly ask children in Years 2 - 6 to donate a clean, good-quality toy that is no longer needed. (Optional).

Suitable items include:

- Soft toys
- Games and puzzles (complete sets only)
- Small playsets and figures

Please bring donations to your school classroom Monday 15 June.

The Toy Fair will take place on Friday 19 June after school on the playground (weather permitting).

All items will be priced affordably (between 50p - £1) so that every child has the chance to choose something special. Don't forget to bring cash!

By taking part—whether donating, buying, or simply spreading the word—you're helping us build a more sustainable school culture and showing our children that small actions can make a meaningful difference.

Thank you, as always, for your support and enthusiasm. We look forward to seeing you at the sale.

Warm regards,

Sandra Emerson-Pink

Mrs Emerson-Pink and Eco Council.
