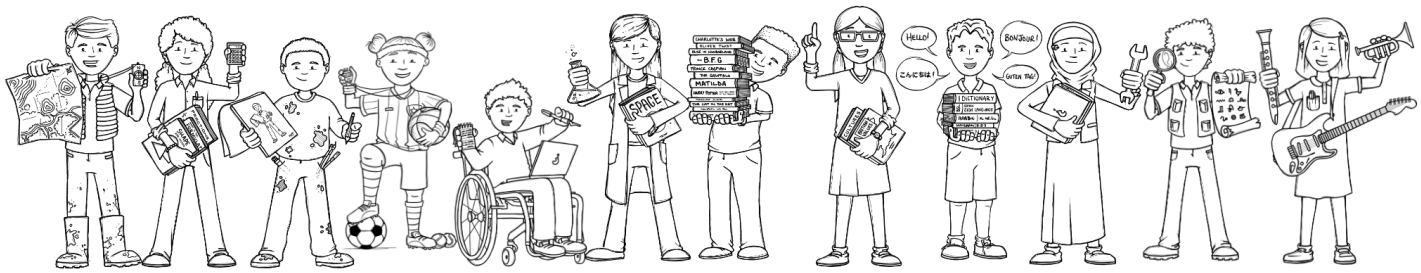
Year 1

Our aim is to connect learners as local citizens of today with the ideas, knowledge and skills they will need as the global citizens they must become.



We will help children to be curious, ask probing questions and be brave in finding solutions through some of the following questions.

Terms 1 & 2	Terms 3 & 4	Terms 5 & 6
How do we move around? (Engineer– pop outs, levers, sliders.) **How could we play in different ways?** (Historian– changes within living memory, looking at games from the past, design own game) **How does my school change? (Autumn artist)** (Scientists and artists-observe changes across the seasons, describe the weather, artistically represent different seasons) **What do artists do?** (Artists-experiment and explore colour using different materials)	**How does my school change? (Winter artist)** **Where is my school?** (Geographer, ,map skills, create a map of the school, local area, The UK and non-European countries) **What am I?** (Scientist– animals, human senses, body parts) **How does my school change? (Spring artist)** (Scientists and artists-observe changes across the seasons, describe the weather, artistically represent different seasons)	**Who Helps Who?** (Historian– awareness of the past, ask and answer questions, find out about the past in different ways, jobs that help others) **What grows near me?** (Scientist– identifying common garden and wild plants, parts of a plant) **What is my hat made of?** (Scientists and Engineers– properties of materials, making a hat) **What might I do in the future?** (Philosopher– develop aspirations and possibilities they may not naturally encounter) **How does my school change? (Summer artist)**

Trips, Visitors and Special Days

Please be mindful that these are subject to change due to the unusual times we are in.

Walk around Corsham
Church visit
